# Our solar care

---

## 1 Introduction

Present at the swimming pool and the beach, our SOLEIL Advisors will take care of your sun protection and your well-being.

## 2 Expertise

Depending on your requirements, your phototype and the UV Index, our SOLEIL Advisors will recommend you the most appropriate sunscreen products of our SOLEIL Collection.

## 3 Service

An order of an individual dose of the selected products will be delivered to you. Our SOLEIL Advisors may apply the product(s) on difficult areas, such as the back, if required.

## 4 Personal aftercare

Our SOLEIL Advisors will suggest and deliver to you new orders after a certain amount of time and/or after each swim in order to ensure an optimal sun protection.

## 5 After-sun

At the end of your exposure, our SOLEIL Advisors will recommend and provide you with an individual dose of after-sun product in line with your needs and preferences in order to hydrate your skin.

# Radiating health
